

## Mystery Garden Worksheet #1

Hello Plant Detectives! We have received word that BC Agriculture in the Classroom has a mystery to be solved – a mystery garden, to be exact!

We will need your special detective skills of observation, problem solving, and creative thinking to solve the mystery of what plants are growing in this garden, and how they grow. The clues will appear along with pictures of the garden on the BCAITC Facebook and Instagram pages regularly.

Good luck detectives!

### Master Growing Chart:

As you solve the clues each week, write down the plant name in each square of the chart:
