

Mystery Garden Worksheet #1

Hello Plant Detectives! We have received word that BC Agriculture in the Classroom has a mystery to be solved – a mystery garden, to be exact!

We will need your special detective skills of observation, problem solving, and creative thinking to solve the mystery of what plants are growing in this garden, and how they grow. The clues will appear along with pictures of the garden on the BCAITC Facebook and Instagram pages regularly.

Good luck detectives!

Week 1: Seed Sleuths

12 Different Seed cups have been found that were used to plant the mystery garden. Observe the picture closely, and answer the following questions:

1. Write down 3 different ADJECTIVES (words that describe an object) that describe

what the seeds look like:

a. _____

b. _____

c. _____

2. Do any of these seeds look like foods you eat? Write down their cup numbers

3. Which foods do they remind you of?

4. Can you tell by looking at a seed if it will grow into a plant (germinate?)
