

## 2022 Outstanding Agriculture Teacher Award Nomination Form

Annually, BC Agriculture in the Classroom Foundation recognizes a BC teacher who has been a champion in agriculture education. The recipient of this award (sponsored by DairyCrop Solutions) will receive the award at the BC Agri-Food Industry Gala in January 2023.

### DEADLINE

The deadline to submit nominations for the 2022 Award is **December 1, 2022**. Please complete this form and email the completed form to [info@aitc.ca](mailto:info@aitc.ca).

This is a confidential nomination. Please do not disclose to the nominee.

### CRITERIA

The Outstanding Teacher in Agriculture will be one who is outstanding in their leadership, passion and action in agriculture education in BC. Historically, awarded teachers have been those who have started a new Agriculture technology program in their district, or hosted days on careers in agriculture for their district, or written agriculture into the BC secondary school curriculum, or started their whole school on a school garden project, these are agriculture education leaders!

The Outstanding Teacher in Agriculture must teach at a K-12 BC school and reside in BC.
