

BC Agriculture in the Classroom Foundation

Outstanding Agriculture Teacher Award Application

The Outstanding Agriculture Teacher will be one who is outstanding in their leadership, passion and action in agriculture education in BC. Historically, awarded teachers have been those who have started a new Agriculture technology program in their district, or hosted days on careers in agriculture for their district, or written agriculture into the BC secondary school curriculum, or started their whole school on a school garden project, these are agriculture education leaders!

We look forward to receiving your nomination before November 15th to info@aitc.ca
