❖ 150 classrooms enrolled in
Planting a Promise in 2014

❖ 4,500 daffodil bulbs were planted in
school yards across BC

Planting A Promise
aitc.ca/bc

Each classroom received 35 daffodil bulbs. Five bulbs were used for observation, prediction and dissection. Each student received their own bulb to plant.

Anne Jespersen ~ Teacher
N Sannich

“Prior to planting, the children were fascinated to learn about the special characteristics of bulbs; they especially liked getting to cut a bulb to see what was inside”

Planting A Promise
aitc.ca/bc

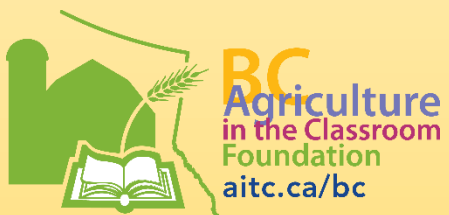

The students had the unique opportunity to see the bulb before it blooms

Planting A Promise
aitc.ca/bc

Planting took place in the
fall

Planting A Promise
aitc.ca/bc

Winter months brought the 'promises' to life as students measured their plants.
